Avlite Systems will be exhibiting at *inter airport* South East Asia

Somerville, Victoria, Australia – February 5, 2019 — Avlite Systems are delighted to announce that we will be exhibiting at *inter airport* South East Asia at the Singapore EXPO, Singapore on 27 February - 1 March 2019 at Stand D52.

inter airport South East Asia 2019 is the International Exhibition for airport equipment, technology, design and services. The exhibition delivers a vision of building better airports for South East Asia.

Covering all areas of airport-related technology and services, industry experts from airports, airlines, air cargo carriers and aviation-support will be attending the event to share experience and knowledge around the latest equipment and airport solutions. Over 190 of the world's leading airport equipment suppliers are expected to participate at the show to showcase their latest innovations; now in its 25th year and renowned as the leading one-stop shop event for the entire airport industry, this year's event promises to be the biggest so far.

The team of professionals from Avlite Systems will be excited to offer demonstrations of all new products as well as presenting the entire range of Avlite products including the latest Complete Solar Airfield Lighting Solutions, including our feature-rich, robust and self-contained AV-426-RF, as well as our next-generation LED PAPI and APAPI models.

"*inter airport* represents a dedicated, real platform for business opportunities through which we consistently share our best-in-class aviation lighting technology", said Michael Walker, Head of Global Sales and Marketing at Avlite Systems.

Visit Stand D52 to speak with our friendly team of aviation lighting experts who will be pleased to demonstrate our innovative range of airfield, heliport and obstruction lighting solutions. To book a personal product demonstration please email Anthony Ng, Sales Engineer – Asia at a.ng@avlite.com or call +61 (0)3 5977 6128.
