Avlite to Exhibit at Warrior Expo East 2019

Tilton, New Hampshire, USA – 2 July 2019 — Avlite Systems, a global leader in the design and manufacture of LED solar airfield lighting for military applications, will exhibit at Warrior Expo East, booth 437, on July 10 and 11, 2019 in Virginia Beach.

On display will be Avlite's solar airfield lighting portfolio designed for remote airfields in harsh environments. Some of the featured products at booth 437 will be Avlite's patented, portable Precision Approach Path Indicator (PAPI), Medium Intensity Approach Lighting System With Runway Alignment Indicator Lights (MALSR), the versatile AV-426 Solar LED Runway/Threshold/Edge Light, and the AV-70 certified solar taxiway light.

"Warrior Expo provides Avlite with a platform to highlight our innovative and proprietary LED airfield lighting technology for military applications," said Jeffrey Trottier, Sales Manager for Avlite's US Department of Defense program.

~MORE~

The two-day event brings end users, program managers, and procurement specialists together with industry-leading solutions for a unique networking and training opportunity in a secure environment.
