## New Helipad Lighting Solutions Debut at Heli-Expo

Tilton, New Hampshire USA – January 6, 2019 – The largest global helicopter exhibition, Heli-Expo, will be the first 2020 event where Avlite's new line of helipad lighting solutions will be on display. Heli-Expo will be held from January 27 – 30<sup>th</sup> at the Anaheim Convention Center in California.

On display will be several new and innovative LED lighting products, all of which are designed and built in the USA. The lighting products on display will include:

- Universal Heliport Lighting Controller
- Helipad Floodlight
- Inset and Surface Mount Lights
- EMS (emergency medical services) Helipad Light Kit
- Solar Helipad Light (AV-70)
- HAPI (Helipad Approach Path Indicator)
- RF Controller for remote operation

Avlite's new helipad lights are ideal lighting solutions for FATO and TLOF areas as they deliver ultra-low power consumption, feature rugged designs, and are built with an extremely long life expectancy.

Visit Avlite's Sales Executive Brandon Higgins at **booth 4824** for a live demonstration of Avlite's new helipad products, or schedule a personal appointment [here](#).
