[Launch Webinar] Introducing The New and Certified Obstruction Lighting Range

Somerville, Victoria, Australia – 14 October 2020 –Avlite Systems will launch our new Obstruction lighting via our second live webinar on Wednesday 21 October at 4:00 pm UTC -4.

The Obstruction webinar includes:

- Market Trends, Needs and Direction of Obstruction marking
- Recent Obstruction Case Study
- Our new Obstruction Controller
- Introducing our new Obstruction Lighting Range
 - The new Low Intensity single and dual AV-OL-LI.
 - The new Medium Intensity AV-OL-MI.
 - The new Combined Medium Intensity AV-OL-CMI.
- What is coming next for Avlite Obstruction range?

Our Obstruction launch webinar will be hosted by Michael Walker, Head of Global Sales and Marketing. He will introduce Avlite and give a brief overview of our Obstruction business.

“The Avlite team have been working hard to produce the first complete line of FAA 43J certified Obstruction lighting products, and we are excited to launch them live via webinar. Our new range includes connected functionality through our recently launched control range. Join us as we give you the first look into our new certified Obstruction lights,” said Walker.

Presenting a recent Case Study installation will be Tara Stewart, President - Avlite Systems USA. Our obstruction range will be launched by Wade Evans, Product, Project and Solutions Manager - Aviation and Digital.
